Ready or Not Here We Go! Important ELD Dates and Information

- October 6, 2017** All ELD Device Order Forms Due
- November 15, 2017** All ELD devices must be installed. You will run dual logs, ELD and paper (paper will be your legal copy for the first 30 days). This will allow you time to adjust to how the ELD system works. You are required however to treat the ELD as if it were your only log. Practice makes perfect. Your ELD Team is here to help you!
- December 18, 2017** We are officially off and running! ELD mandate is in full effect. Remember you have a full support staff readily available to help you.

You MUST have with you at all times (These will be supplied to you):

- (1) ELD Device Instruction Card
- (2) Blank logbook in case your device malfunctions

NTDAW Totes

James Lyons – NHH
Hal Arnason - NHH
James Forbus – ACE
Scott Rainey – MTL
Robert Marshall - MTL

Operation Safe Driver 2017

Operation Safe Driver Week is October 15-21, 2017. Law enforcement officers throughout North America will be on the lookout for dangerous driving behavior in both passenger vehicle drivers and commercial vehicle drivers.

Dangerous driving behaviors include: speeding, aggressive driving, failure to wear seatbelts, tailgating, improper lane changes, texting and other distracted driving behaviors.

YOU are the professional driver on the roadways. As always, stay alert and Drive Safe!

Most Accidents Can Be Prevented

There is a lot you can do to reduce and/or eliminate your possibility of being involved in an accident. Keep your eyes scanning at all times, don't drive distracted, don't make unnecessary lane changes, NEVER use a hand-held device & keep your dash cam rolling. Drive Safe Y'all!

Send us your truck and load pics so we can share on the websites! Send to any team member and we'll get them posted!

FSMA – Food Safety Modernization Act
If you haul, or plan to haul, food product training is required. Contact Driver Services for more information.
