For explanation of abbreviations and reference marks see page 10 of this rules circular.
1. (a) The carrier or party in possession of any of the property herein described shall be liable as at common law for any loss thereof or damage thereto, except as hereinafter provided.

(b) No carrier or party in possession of all or any of the property herein described shall be liable for any loss thereof or damage thereto or delay caused by the act of God, the public enemy, the authority of law, or the act or default of the shipper or owner, or for natural shrinkage. Except in case of negligence of the carrier or party in possession (and the burden to prove freedom from such negligence shall be on the carrier or party in possession), the carrier shall not be liable for loss, damage, or delay occurring while the property is stopped and held in transit upon the request of the shipper, or resulting from a defect or vice in the property.

2. (a) No carrier is bound to transport said property in time for any particular market or otherwise than with reasonable dispatch. Every carrier shall have the right in case of physical necessity to forward said property by any carrier or route between the point of shipment and the point of destination.

(b) In all cases not prohibited by law, where a lower value than actual value has been represented in writing by the shipper or has been agreed upon in writing as the released value of the property as determined by the classification or tariffs upon which the rate is based, such lower value plus freight charges paid shall be the maximum amount to be recovered, whether or not such loss or damage occurs from negligence.

3. (a) As a condition precedent to recovery, claims must be filed in writing with a participating carrier within nine months after delivery of the property or in the case of failure to make delivery within 9 months after a reasonable time for delivery has elapsed.

(b) Suits shall be instituted against any carrier only within two years and one day from the day when notice in writing is given by the carrier to the claimant that the property has been delivered or that the damage occurred or any part or parts thereof specified in the notice. Where claims are not filed or suits are not instituted thereon in accordance with the foregoing provisions, no carrier hereunder shall be liable, and such claims will not be paid.

(c) Any carrier or party liable on account of loss of or damage to any of said property shall have the full benefit of any insurance that may have been effected upon or on account of said property, so far as this shall not avoid the policies or contracts of insurance. Provided, That the carrier reimburse the claimant for the premium paid thereon.

4. (a) Property not accepted by the consignee, after notice of the arrival of the property at destination has been duly sent or given, may be kept subject to the tariff charge for storage and to carrier's responsibility as warehouseman, or, at the option of the carrier, may be stored in a public or licensed warehouse at the cost of the owner, and there held without liability on the part of the carrier, and subject to a lien for all freight and other lawful charges, including a reasonable charge for storage.

(b) Where nonperishable property is refused at destination by the consignee or where the consignee fails to receive it within 15 days after notice of arrival shall have been duly sent or given, the carrier may sell same at public auction to the highest bidder, at such place as may be designated by the carrier.

(c) Where perishable property which has been transported to destination and the consignee or party entitled to receive it has failed to receive it promptly, the carrier may, in its discretion, to prevent deterioration, sell the same to the best advantage at private or public sale.

(d) Where the procedure provided for in the two paragraphs last preceding is not possible, it is agreed that nothing contained in said paragraphs shall be construed to abridge the right of the carrier at its option to sell the property under such circumstances and in such manner as may be authorized by law.

(e) The proceeds of any sale made under this section shall be applied by the carrier to the payment of freight, demurrage, storage, and any other lawful charges and the expense of notice, advertisement, sale, and other necessary expense and of caring for and maintaining the property, if proper care of the same requires special expense, and should there be a balance it shall be paid to the owner of the property sold hereunder.

5. No carrier hereunder will carry or be liable in any way for any documents, specie, or for any articles of extraordinary value not specifically rated in the published classifications or tariffs unless a special agreement to do so and a stipulated value of the articles are indorsed hereon.

6. Every party, whether principal or agent, shipping explosives or dangerous goods, without previous full written disclosure to the carrier of their nature, shall be liable for and indemnify the carrier against all loss or damage caused by such goods, and such goods may be warehoused at owner's risk and expense or destroyed without compensation.

7. (a) The consignor or consignee shall pay the freight and all other lawful charges accruing on said property. The consignor shall be liable for the freight and all other lawful charges unless the consignor stipulates, by signature, in the place provided for that purpose on the face of the bill of lading the carrier shall not make delivery without requiring payment of such charges and the carrier, contrary to such stipulation, shall make delivery without requiring such payment.

(b) Consignee becomes liable for freight charges upon receipt unless the consignee is an agent only and has no beneficial title in said property; and prior to delivery has notified the delivering carrier of these facts.

(c) Nothing herein shall limit the right of the carrier to require at time of shipment the prepayment or guarantee of the charges. If upon inspection it is ascertained that the articles shipped are not those described in this bill of lading, the freight charges must be paid upon the articles actually shipped.

8. If this bill of lading is issued on the order of the shipper, his agent, in exchange or in substitution for another bill of lading, the shipper's signature to the prior bill of lading as to the statement of value or otherwise, or election of common law or bill of lading liability, in or in connection with such prior bill of lading, shall be considered a part of this bill of lading as fully as if the same were written or made in or in connection with this bill of lading.

9. (a) All surface transportation provided under this bill shall be subject to federal statute and common law otherwise applicable to regulate interstate shipments. U.S. statutes and regulations shall apply unless otherwise waived by signed written agreement.

(b) If all or any part of said property is carried by water, and the loss is carried by water and loss, damage, or injury to said property occurs while it is in the custody of the carrier by water, the liability of such carrier shall be determined by the applicable bill of lading and under laws and regulations applicable to transportation by water.
Item 120

GENERAL COMMODITIES

Carrier holds extra-provincial authority to transport shipments from and to the following Canadian provinces:

N/A

Item 205

COMMODITY LIMITATIONS

Carrier does not hold out to transport jewelry, manufactured tobacco products, ammunition, objects d’art, currency, documents, items of unusual value or rare metals. Unless otherwise indicated herein or agreed to by contract, Carrier does not hold out to provide temperature controlled service.

Item 220

MEXICAN SHIPMENTS

Carrier does not accept liability for loss or damage to shipments under transport in the Republic of Mexico. Carrier participates in international shipments originating or destined to Mexico on a combination of rates basis notwithstanding any arrangements for through trailer movements. Shippers are advised that liability for cargo loss in the Republic of Mexico differs from U.S. law (49 U.S.C. 14706) and the special arrangements with the Mexican carrier participating in any transborder movement is not the Carrier’s responsibility.

Item 225

REGULATED VERSUS EXEMPT

The rules set forth in this Circular shall apply to shipments exempt from economic regulation as well as shipments subject to the jurisdiction of the FMCSA. Liability for loss, damage and delay shall be governed by 49 U.S.C. 14706 (the Carmack Amendment).

Item 230

INTERSTATE VERSUS INTRASTATE

The rules set forth in this Circular shall apply to all shipments handled by Carrier regardless of the origin or destination.

Item 235

SHIPMENT LIMITATIONS

Carrier shall not be required to accept for transportation any truckload shipment which exceeds 40,000 pounds or which occupies more than the full visible capacity of the trailer which is provided.
Item 240

IMPRactical OPERATIONS

Nothing in this rules circular shall require the carrier to perform pick-up or delivery service at any location from or to which it is impracticable, through no fault or neglect of the carrier to operate vehicles because of:

(A) The condition of roads, streets, driveways, or alleys;
(B) Inadequate loading or unloading facilities; or
(C) Riots, Acts of God, the public enemy, the authority of law, strikes or labor unrest the existence of violence, or such possible disturbances as to create reasonable apprehension of danger to person or property.

Item 245

APPOINTMENTS/PICKUP AND DELIVERY TIMES

Pick-ups and deliveries shall be made between 7:00 a.m. and 5:00 p.m., local time Monday through Friday. When shipper requests carrier to pick up or deliver freight on Saturday, Sunday or Holidays, such service shall be subject to an additional charge:

$200  Saturday
$300  Sunday/Holiday

Carrier is not obligated to furnish pickup or delivery service on Saturday, Sunday or Holidays. Appointments shall be made at no charge. Carrier shall not be liable for late deliveries or unkept appointments unless such late delivery or unkept appointment is beyond carrier’s duty of reasonable dispatch. Consignee shall facilitate prompt unloading in the event of missed appointments.

Item 250

IMPORT AND EXPORT FREIGHT

(1) Limitation of Carrier’s Liability for Proper Customs Clearance. Carrier assumes no responsibility for insuring or otherwise providing for clearance of merchandise through or inspection by Mexican or Canadian Customs. Carrier does not represent and specifically disclaims any knowledge or expertise in proper customs clearance and inspection matters. Carrier is not responsible for the acts or omission of the Mexican or the Canadian Customs Agent or its affiliated Freight Forwarder that may be selected for the purpose of clearing shipper’s merchandise through Customs. Carrier will serve merely as a liaison between shipper and the Mexican or Canadian Customs Agent (and the Customs Agents’ Freight Forwarder) at shipper’s request and only as a convenience to shipper. Carrier or party in possession shall not be liable for loss, damage, deterioration of the freight or delay in delivery due to the duration of the period required by customs clearance or inspection.

(2) Trailer Rental - Mexican Shipments. The charge for trailer rental on shipments destined for Mexico will be $750 per day from the time of interchange at the U.S./Mexican border until returned. The calculation of time starts when shipments are tendered to the forwarding agent.

(3) Carrier assumes no cargo loss responsibility for shortage or damage to shipments while in the Republic of Mexico. Clear bills of lading showing safe and damage-free delivery between the U.S./Mexican borders at the pickup or delivery points in the U.S. shall be evidence of Carrier’s proper discharge of its cargo responsibility.

(4) In the event it is determined, notwithstanding the foregoing, that Carrier is liable pursuant to statute, through bill, or otherwise for loss, damage or delay occurring in the Republic of Mexico, Carrier’s maximum liability shall be the rate affixed under the laws of the Republic of Mexico for domestic shipments within that country.

For explanation of abbreviations and reference marks see page 10 of this rules circular.
Item 255

PICKUP AND DELIVERY SERVICE

The rates named herein include pickup or delivery at all points within the limits of the cities, towns, villages and other points from and to which rates apply, but each shipment will include only one pickup and one delivery.

Item 260

SHIPPER LOAD AND COUNT

All shipments shall be loaded by the consignor and unloaded by the consignee. Carrier’s drivers are instructed to sign bills of lading as shipper load and count or “SLC”. Inadvertent omission of this notation shall not result in a presumption of carrier liability for shortage or damage (in the absence of upset or accident) where the driver was either not present or not allowed to observe the loading and unloading.

Item 265

FREE TIME

Carrier shall allow 1 hour of free time both for loading and unloading for vehicles with power units and drivers.

For purposes of detention of trailers spotted without power, Carrier shall allow 1 hour of free time both for loading and unloading of spotted trailers. Such time shall commence from the time the trailer is spotted or from the time the trailer was requested to be spotted, whichever is later, but Saturdays, Sundays or holidays shall not be included in the calculation of free time. Where carrier spots trailer equipment for shipper’s loading convenience, no free time shall be allotted for detention of power equipment and detention shall begin at the agreed time of arrival or at the time of actual arrival, whichever is later.

Free time for multiple pickup and multiple delivery loads. Where stop-off, pickup or deliveries are requested in route, with the exception of the original origin and the ultimate destination, the free time allowed for each stop shall be 1 hour.

Item 270

SUBSTITUTED SERVICE

For its operating convenience, carrier reserves a right to hire other carriers qualified subcontractors to provide all or part of given movements. Carrier agrees to protect the rates set forth herein when substituted services are provided and warrants that all terms, conditions, duties and obligations owed to shipper by this circular, bill of lading, and/or contract will be provided.

Item 275

RATE APPLICATION

Contract rates will not apply to shipper’s customer/vendor unless prior written authorization has been received from carrier.
SECTION 3-
ACCESSORIAL CHARGES

Item 300

APPLICATION OF ACCESSORIAL CHARGES

In addition to the line haul or base rate for any shipment and unless otherwise agreed in writing, the following accessorial charges shall apply and shall be reflected on the Carrier's invoice for services rendered.

Item 305

DETENTION B VEHICLES WITH POWER UNITS

(A) This item applies on shipments when the carrier's vehicles with driver and power units are delayed or detained beyond the free time provided for herein at time of delivery to the consignee or at time of pick-up at the consignor's place of business when such delay is not the fault of carrier.

(B) Charges for detention will be charged to the consignee in the case of unloading and to the shipper in the case of loading.

(C) When computing time, the beginning time shall be the time the driver notifies the shipper or consignee of driver's arrival and that the trailer is available for loading or unloading, as the case may be, but in no case shall time commence prior to the time of any appointment or the actual time of loading or unloading, whichever is first.

(D) When computing detention charges, all non-working time shall be excluded. Non-working time includes lunch breaks, coffee breaks and rest breaks.

(E) If, at the end of the business day, unloading has not been completed and cannot be completed that day, the shipper or consignee shall be given the following options:

Item 420

Shippers may obtain rates for shipments with higher release values than those indicated above from carrier’s Director of Pricing by calling 704-235-0460. Any such alternative rate shall be reflected by the insertion of the higher release value and specially assigned identification number on the bill of lading at the time of pick-up.

Item 510

FILING OF CLAIMS

(A) Claims in writing are required within nine (9) months from the date of delivery or a reasonable time during which delivery should have been accomplished. A claim for loss, damage, injury or delay to cargo shall not be voluntarily paid by carrier unless filed in writing, as provided in subparagraph (b) of this Item with carrier within the specified time limits applicable thereto and as otherwise may be required by law, the terms of the bills of lading or other contract of carriage, and all rules circular provisions applicable thereto. Claims for concealed damages will be submitted to carrier within forty-eight (48) hours of delivery. Any suit to recover loss of damage or delay to cargo must be instituted no later than two years and one day after the claim is denied.

(B) Minimum filing requirements. A communication in writing from a claimant, filed with carrier within the time limits specified in the bill of lading or contract of carriage or applicable contract between carrier and shipper and (1) containing facts sufficient to identify the shipment (or shipments) of property involved; (2) asserting liability for alleged loss, damage, injury or delay; and (3) making claims for the payment of a specified or determinable amount of money, shall be considered as sufficient compliance with the provisions for filing claims embraced in the bill of lading or contract of carriage or applicable contract between carrier and shipper.

(C) Documents not constituting claims such as bad order reports, appraisal reports of damage, notations of shortages or damage, or both, on freight bills, delivery receipts, or other documents, or inspection reports issued by shipper or its inspection agency, whether the extent of loss or damage is indicated in dollars and cents or otherwise shall, standing alone, not be considered by carrier as sufficient to comply with the minimum claim filing requirements specified in subparagraph (b) above.

(D) Claims filed for uncertain amounts. Whenever a claim is presented against carrier for an uncertain amount such as "$100 more or less," carrier shall determine the condition of the baggage or shipment involved at the time of delivery by it, if it was delivered, and shall ascertain as nearly as possible the extent, if any, of the loss or damage for which it may be responsible. It shall not, however, voluntarily pay a claim under such circumstances unless and until a formal claim in writing for a specified or determinable amount of money shall have been filed in accordance with the provisions of subparagraph (b) above.
Item 520

ACKNOWLEDGMENT OF CLAIMS

(A) Carrier shall, upon receipt in writing of a proper claim in the manner and form described in these regulations, acknowledge the receipt of such claim in writing to the claimant within sixty (60) days after the date of its receipt by carrier unless carrier shall have paid or declined such a claim in writing within sixty (60) days of the receipt thereof. Carrier shall indicate in its acknowledgment to the claimant what, if any, additional documentary evidence or other pertinent information may be required by it to further process the claim as its preliminary examination of the claim, as filed, may have revealed.

(B) Carrier shall, at the time each claim is received, create a separate file and assign thereto a specific unique claim file number and note that number on all documents filed in support of the claim and all records and correspondence with respect to the claim, including the written acknowledgment of receipt and, if in its possession, the shipping order and delivery receipt, if any, covering the shipment involved. At the time such claim is received, carrier shall cause the date of receipt to be recorded on the face of the claim document, and the date of receipt shall also appear in carrier’s written acknowledgment of receipt to the claimant.

Item 530

INVESTIGATION OF CLAIMS

(A) Prompt investigation is required. Each claim filed against carrier in the manner prescribed herein shall be promptly and thoroughly investigated if investigation has not already been made prior to receipt of the claim. Unless perishable commodities are involved, the shipper or consignee in possession shall afford carrier five (5) days to inspect any damaged shipment prior to dispensation.

(B) Supporting documents. When a necessary part of any investigation, each claim shall be supported by the original bill of lading, evidence of the freight charges, if any, and either the original invoice containing invoice value, a photographic copy of the claim to be true and correct with respect to the property and value invoiced in the claim; or certification of prices or values, with trade or other discounts, allowances or deductions of any nature whatsoever and the terms thereof, or depreciation reflected thereon; provided, however, that where the property shows on the bill of lading or where the invoice does not show price or value, or where the property involved has not been sold, or where the property has been transferred at bookkeeping values only, carrier shall, before voluntarily paying a claim thereon, require the claimant to establish the destination value in the quantity shipped, transported, or involved and certify the correctness thereof in writing or show an alternative applicable value arising by reason of alternatively applicable contract terms.

(C) Verification of loss. A prerequisite to the voluntary payment by carrier of a claim for loss of an entire package or an entire shipment shall be the securing by it of a certified statement in writing from the consignee of the shipment involved that the property for which the claim is filed has not been received from any other source.
Item 540

Carrier shall pay, decline, or make a firm compromise settlement offer in writing to the claimant within one hundred twenty (120) days after receipt of the claim by carrier; provided, however, that if the claim cannot be processed and disposed of within 120 days, after expiration of each succeeding sixty (60) day period while the claim remains pending, carrier shall advise the claimant in writing of the status of the claim and the reason for delay in making final disposition thereof and it shall retain a copy of each such advice to the claimant in its claim file thereon.

Item 550

**CLAIMS LOSS AND DAMAGE & SALVAGE**

(A) Whenever property transported by carrier is damaged or alleged to be damaged and is, as a consequence thereof, not delivered or is rejected or refused upon tender thereof to the owner, consignee, or person entitled to receive such property, carrier, after giving due notice, wherever practicable to do so, to the owner and other parties that may have an interest therein, and unless advised to the contrary after giving such notice, shall undertake to sell or dispose of such property directly or by the employment of a competent salvage agent. Carrier shall only dispose of the property in a manner that will fairly and equally protect the best interests of all persons having an interest thereon. Carrier shall make an itemized record sufficient to identify the property involved so as to be able to correlate it to the shipment or transportation involved, and claim, if any, filed thereon. Carrier shall also assign to each lot of such property a successive lot number and note that lot number on its record of shipment and claim, if any claim is filed thereon.

(B) Whenever disposition of salvage material of goods shall be made directly to an agent or employee of carrier or through a salvage agent or company in which carrier or one or more of its directors, officers, or managers has any interest, financial or otherwise, carrier’s salvage records shall fully reflect the particulars of each such transaction or relationship, or both, as the case may be.

(C) Upon receipt of a shipment on which salvage has been processed in the manner herein before prescribed, carrier shall record on its claim file thereon the lot number assigned, the amount of money recovered, if any, from the disposition of such property, and the date of transmittal of such money to the person or persons lawfully entitled to receive the same.
Item 560

**DISPOSITION OF OVERAGE**

Cconsignee shall accept overages in fulfillment of its duty to mitigate damages. Overages will be returned to the consignee or shipper by carrier upon request in return for payment of carrier’s applicable freight charges.

In the event consignor and consignee decline to accept overages and mitigate damages, carrier shall treat any overage as salvage and after notice shall sell same in accordance with the bill of lading contract and the terms of this circular. The proceeds of any such sale less carrier’s freight and storage charges shall be remitted to the person or persons lawfully entitled to receive same.

Carrier shall not be liable for any difference between the sales price of overage and the destination market value where the shipper and consignee decline to mitigate damages.

Item 570

**DISPOSITION OF CONTESTED CARGO CLAIMS**

Unless the parties agree to voluntary alternative dispute resolution, disputed claims will be subject to 49 U.S.C. '14706 (the Carmack Amendment) subject to any applicable released evaluation. Claimant waives any right to setoff or offset of contested and unliquidated cargo claims against freight charges otherwise due to carrier as a precondition of service. Claimants agree to forfeiture of any contested claim asserted by it as a setoff after notice and demand for freight charges.
SECTION 6-
COLLECTION AND PAYMENT OF FREIGHT CHARGES

Item 630

PAYMENT WITHOUT OFFSET

Consignor and/or Consignee shall pay all freight charges when due without offset for any cause, including but not limited to, cargo claims. Item 640

INTEREST AND FEES ON PAST DUE ACCOUNTS

Carrier will assess one and one-half percent (1 1/2%) per month on past due indebtedness for collection, handling, late fees and interest. In the event carrier deems it necessary to retain the services of legal counsel to collect any outstanding indebtedness, shipper shall pay attorneys' fees, collection service fees and court filing fees in the amount of $300.00 or thirty-five percent (35%), whichever is greater.
Item 650

THIRD PARTY BILLING

Carrier does not employ property brokers or other intermediaries as its agents for the collection of freight charges. Carrier will invoice the shipper’s broker, bank or other agent for freight charges. Carrier reserves the right to bill and collect freight charges from the shipper on prepaid shipments or the consignee on collect shipments in the event full payment of freight charges is not received pursuant to third party billing.

A shipment in which charges are to be paid by a party other than the consignor or consignee will be accepted provided recourse to the consignor is preserved with the carrier picking the shipment up at origin. The consignor and consignee guarantee to pay the charges if the third party fails to do so in the time allotted under the applicable credit regulations. Any such shipment will not be accepted if the consignor executes a nonrecourse provision of the bill of lading.

Item 660

PRIORITY OF FREIGHT CHARGE OBLIGATION

When arrangements are made with intermediaries for transportation services provided by carrier and the intermediary in turn bills the shipper or beneficial owner of the goods for freight charges inclusive of carrier’s rates, the following rules shall apply:

(2) Intermediary will pay carrier without offset from funds received and shall not commingle, pledge, encumber or hypothecate funds received by it intended for payment of freight charges to carrier.

Item 670

LIEN FOR FREIGHT CHARGES

Carrier shall have a possessory lien on shipments in its dominion and control for the payment of freight charges past and present.
